Middlesex County Community Foundation Funds Connecticut Mission of Mercy Dental Clinic

From: Middlesex County
Posted: March 1st, 2010

Middlesex County Community Foundation has awarded \$5,000 to the Connecticut Mission of Mercy (CT MOM) to help pay for the free dental clinic expected to attract thousands from throughout the state.

The grant will help support the two-day clinic scheduled for March 12 and 13 at the Aetna office complex at 1000 Middle Street in Middletown. This is the third annual statewide Mission of Mercy, the first to be held in Middlesex County. People are encouraged to visit www.csda.com for additional information.

The grant to the Connecticut Mission of Mercy was made possible by Connecticut Lighting Centers, Inc. and its generous staff, colleagues and friends working through Middlesex County Community Foundation.
